C2 (under 15) till B1 (AK 16) 2 laps per skater

The order within one relay team corresponds to the age class.  
The first skater of every relay is allowed to start in front the start line. During changes, the next team member has to start from the outer side of the 400m track.

The change area begins at the 500m start and ends at the main finish.

During the relay race, the following safety apply:

- Athletes, which are not part of the respective relay team, are not allowed to be on the 400m track.
- Coaches are not allowed to be on the ice or on the infield
- The use of closed helmets (compliant with the specifications for ShortTrack-ISU Rule 291, paragraph 1a), cut resistant neck and ankle protection is obligatory
- The back and front part of the blades must be rounded off, with indicative radius of 1 cm (10 Cent piece)

**Any violation of this safety requirements leads to exclusion respectively disqualification of the relay team.**

Participants: Entry is open for club, regional and national teams. The number of skater per age and team is fixed for two starters (one male and one female). If necessary, a skater can start up to two age class higher. Female athletes are allowed to start in the respective age class of the male athletes. **The maximum number of participants is fixed for 144 (=12 teams). The reservations will be made in order of entry.**

Classification: Classification will be made by a point per place system. The best-placed athletes per team are taken account into the team classification. Eliminated athletes will be set on the last place.
